**PAINTLESS
DENT REMOVAL**
THE SMART REPAIR SOLUTION

THE SMART REPAIR SOLUTION

REALISE THE VALUE

WHAT IS PAINLESS DENT REMOVAL?

The benefits of Painless Dent Removal are simple. It's about repairing dents, dings and hail damage, without the need for panel beating.

It involves massaging the panels using specialised tools which helps return the panel to it's original condition without time consuming and costly traditional panel beating.

WHY USE PDR?

IT'S SMART

It's significantly cheaper than traditional body shop techniques and you will be provided with an estimated cost before any work is started.

IT'S CONVENIENT

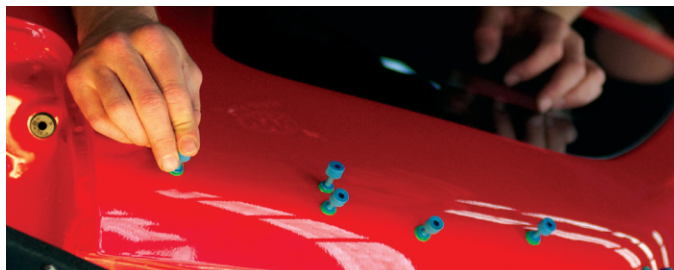

Not only can our mobile fleet come to you, technicians can have most rectifications applied in less than an hour.

IT'S GUARANTEED

We undertake fast, professional repairs to manufacturer standards guaranteed.

IT'S ENVIRONMENTALLY FRIENDLY

No harmful paints or solvents are required for this process, making it more environmentally friendly than traditional methods.

IS PDR RIGHT FOR YOU?

Whether you're a vehicle manufacturer, insurance company, lease or rental company, car dealership, company fleet operator, government department or someone simply looking to repair their own vehicle, then do it the smart way and increase your return on investment.

Ease. Convenience. A greater return on investment.
Manheim SMART Repair.
